Monday 2nd September

Dear parents and children

I hope you have all had a wonderful Summer, enjoying the long days and plenty of sunshine. You will be pleased to hear that the concrete playground sculptures have gone and we now have the playground back as it should be. Work has not yet started on the sports pitch, but is due to begin very shortly, so it will not be long until the children will be able to enjoy this fantastic new facility.

Breakfast Club run by Oxford Active

Breakfast Club will be running every morning from 8am until 8.40, starting tomorrow morning. If you would like to register your child/ren, please collect an application form from the office. Children should be dropped off in the Activity Room at the back of the new classroom.

Packed Lunches

A reminder that due to Limes Farm ceasing to offer hot school lunches, all children will need a packed lunch every day.

Term Time Leave of Absence – Important Statutory Changes

Many of you will have heard on the news in the last few days that with effect from 1st September, changes have been made to the regulations by which headteachers consider leave of absence. The amendments to the regulations state that “.....*headteachers may not grant any leave of absence during term time unless there are exceptional circumstances.*”

We understand this may cause some concern; we are putting together a flyer with a little more information to be handed out later in the week.

I am very much looking forward to seeing you all again tomorrow morning, for the beginning of what I know will be a busy term. The sunshine is set to continue this week, so could I remind you to ensure that children have suncream applied and that they bring their hats to school **every day**.

Best wishes,

Lucy Miles
