

## Great Tew Primary School

### How have we been spending our Sport Premium Funding of £8,405?

#### **What is the Sport Premium?**

*The Government is providing funding to improve provision of physical education (PE) and sport in primary schools. This funding will be allocated to primary school head teachers to be spent on developing sport and PE provision in schools. All schools receive a lump sum of £8,000 plus a premium of £5 per pupil.*

#### **Purpose of funding**

*Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.*

#### **Our aims for P.E and sport**

- *For all our children to develop an appetite for sport and physical activity which will stay with them throughout their lives.*
- *To give our children the time, in and out of lessons, to develop skills and invent games.*
- *To support children in understanding the benefits of competition and of challenging oneself.*
- *To teach children to look after their bodies and the benefits of an active and healthy lifestyle.*
- *To lead children to an understanding of the personal benefits to be gained from regular physical activity.*
- *To encourage children to develop their own games and to make sensible assessments of risks.*
- *To encourage children in their efforts and recognise the improvements they make.*
- *To teach our children the skills and attitudes that will help them to enjoy sport and physical activity.*
- *To identify and support those children who have exceptional skills and talents so that they may find suitable competition.*
- *To provide the equipment and the playing space to move and practise skills.*
- *To provide appropriate training for our teachers so that they can be very effective teachers of P.E.*
- *To make use of local support that will enhance the children's progress in acquiring physical skills.*

#### **Our resources**

- *Our brand new all weather sports' pitch – for use during lesson times and play times.*
- *Use of two large sports' pitches at the Tew Centre Cricket Club.*
- *Use of the Tew Centre, where all our gymnastics equipment is stored.*
- *The Chipping Norton Partnership of Schools, which organises inter school festivals and competitions, providing every child with the opportunity to take part in competitive sport.*
- *Specialist PE teacher, who teaches the children from Year 1 to Year 6, working alongside the teachers.*
- *Parents, who volunteer their time to coach the children in sports including rugby, cricket and netball.*
- *Our healthy and fun loving children who want to test and challenge themselves.*
- *A very well stocked P.E. shed.*
- *Many of our children belong to families whose parents enjoy sport and encourage them to be involved in sports and activity out of school.*

# Here are some of our recent sporting successes:

## After School Clubs

We currently run after school clubs in hockey, football and fitness to music. Football Club is now so popular that we run two clubs, one for older children and one for younger children.

## Morning Hockey Club

We are now offering a before school club for the older children in hockey.

## Athletics

The children consistently do very well in the athletics and virtual athletics tournament, providing evidence of their high levels of fitness and stamina. Two of our children now compete regularly, and successfully, in local triathlons.

## Swimming

Our team came first in the CNPS tournament last year (January 2015)

## Netball

Our team came first in the CNPS tournament last year (March 2015)

## Athletics

The children consistently do very well in the virtual athletics tournament, providing evidence of their high levels of fitness and stamina. Two of our children now compete regularly, and successfully, in local triathlons.
