Date: Friday 26th June 2020

Transition Days!

We have been determined to get all the children back to school before the end of term, and are delighted to tell you that every child from Year 2 to Year 5, plus Reception, is being invited back to school for a Transition Day on either Friday 3rd or Friday 10th July. They will spend the day with other children in their year group, with next year's teacher and teaching assistant/s. Further details were sent out yesterday in a separate letter so please do make sure you have seen this! We really can't wait to see all those faces we've not seen for a long time— I think the staff will be as excited as the children! Please let us know if your child (Year 2-5 only) will be attending their Transition Day by completing the Google form [here](#), by no later than 10am on Wednesday 1st July. Reception children will spend the next two Friday (mornings only) with Mrs Butler as part of their transition programme—but **please note the slightly later collection time.**

To enable these Transition Days to take place, we are asking Year 1 and Year 6 children not to come to school on Friday 3rd and Friday 10th July.

Great Tew Supporters' Club Auction!

A fantastic auction is being put together by Leona, all to raise money for the school. Please keep an eye out for communication as the auction is due to go live this week! A huge thank you to everyone who has so generously donated items.

E-book

I have just been sent a [link to this e-book on Coronavirus](#). Illustrated by Axel Scheffler it explains the virus in a child-friendly and informative manner, and you may find it useful for talking about Coronavirus with your children.

Year 3&4 Ancient Greek Olympics!

The sun shone, the togas were donned and the children (and parents too I think) had a wonderful day on Wednesday taking part in the Stay-at-Home Olympics. A huge thank you to Mrs White and Mrs Sam for organising this; I have had so many messages about what a fun day it was and how much the children enjoyed themselves. I joined them all briefly for their Greek Feast and was very impressed by the wonderful array of (in many cases home-made) bread, dips and biscuits. My egg sandwich felt a little inadequate!

Wonderful Learning Together!

Here are links to some fabulous short films created by Miss Hardy, celebrating the learning that's been going on at home and at school in every class. Though we may not all be together, it's lovely to see the children are all still learning together.

[Year 1&2](#)

[Year 3&4](#)

[Year 5&6](#)

All these slide shows are also now embedded on the website, on the [Wonderful Learning](#) page.

Young Art Oxford—"2020 Vision"

The entries were returned to school this week as well as certificates for those whose work was exhibited and a bag of goodies for Sophia F-F, In Year 6, who won 3rd Prize in her category. Here is a link to a [slide show of the pictures that were exhibited in the online exhibition](#).

Family VibEs—Values at Home:

Next week's value is **Friendship**. The leaflet [here](#) has lots of fun ideas for exploring this value at home with your children. There are practical activities, conversation starters and things to reflect on. Please do take some time to talk about this very important value and the way it links to so many of the other values we have explored.
