

GREAT TEW PRIMARY SCHOOL

Cathy Higgins, Co-opted Governor

Originally from Lancashire, I moved to South Oxfordshire in 2003 with my husband's job. I have worked in education finance since 1992, taking a break to have my two children, Clare, now 23 and John 18.

At the moment I am a school bursar in three Oxfordshire schools, Stoke Row which is a similar size and set up to Great Tew, St Barnabas in Oxford and Great Milton near Wheatley.

My association with Great Tew began in early 2018 when I came to replace a previous bursar and to provide cover for a staff absence. I instantly fell in love with this fabulous school and it's amazing community. When it was time to move on following the successful appointment of the School Business Manager, I was delighted and honoured to be invited to join the governing body.
