

GREAT TEW PRIMARY SCHOOL

Angela Murrey, Associate Member

I was born and brought up in Great Tew, and went to School here, the 3rd generation of my family to do so! After finishing my education, I worked as Secretary to a Chartered Accountants in Chipping Norton and finally left the village when I got married. When my family went to school, they were also lucky to go to Great Tew and it was then I was offered the job of secretary which I accepted and in January 2021 I have been here 34 years.

It is a wonderful school and once it is in your blood you have no chance of escaping! I have seen many changes over the years, some for the better, some maybe not, but wouldn't have changed my time here for the world.

I was clerk to the Governors for too many years to remember, but after personal circumstances I decided it was time to give up. I was asked to remain as an associate member, to which I said I would love to so I could carry on doing what I could to help the Governing Body and the School.
