

GREAT TEW PRIMARY SCHOOL

Clive Keeble, Associate Member

I was happy to accept the post of associate member mid-way through 2020. Joining at such a difficult time is an honour, and I will endeavour to make a positive contribution over coming years.

My background is in sales and marketing, with a specialty in newspaper and magazine publishing. During the latter part of my career I became a business consultant and then trained as a hypnotherapist and life coach. I was heavily involved in the newspapers in education scheme and was co-author of a paper on a business case for diversity at Leeds University.

My daughter in law is deputy head of a large primary school in Oxford and encouraged me to sign up to become a governor. Having met some of the staff and governors at Great Tew, I am excited about joining such a positive team. I look forward to ensuring both pupils and staff have every opportunity to excel. I firmly believe that education is a partnership between teachers and children and only working as such can both prosper.
